

## SERVICES

### **CAD Plans, Site Surveys & 3D Visualizing** (freelance work also available)

- CAD Plans - These are needed to start the process with all the technical information required to start designing.
- 3D Visuals – This will help you explore your concepts and bring your ideas to life
- Site Surveys – this is an inspection of an area where work is proposed, to gather information for a design or an estimate to complete the initial tasks which will follow up with technically drawn CAD Plans.

Cost: £30/HOUR (depending on project this may increase/decrease)
